January 2010

Worshipful Master—Larry Davis

Another year is here along with a new set of officers. We have had some really good ones in the past, and I hope we can build on what others have started.

As the new Worshipful Master, I couldn't have been prouder or more humbled than I was at installation. When John and Harold sat me down in that chair, it was an experience I will never forget, and I thank each of you for this opportunity.

There are a few things I would like to accomplish this year and, with the great officers we have in place, I am sure this will be a remarkable year. My priorities include:

Making our Lodge even friendlier and more hospitable to visitors;

Expanding our membership and getting some of our members back to attending Degrees and Stated Meetings;

Making sure that our Lodge is financially sound (Thanks to Jesse and others, we are on that road);

Increasing Hiram Lodge's visibility within the community by being involved in almost every activity in which the city of Franklin participates;

Involving newly-made brothers in Lodge activities as early as possible;

Continuing the work that our Trustees have done such a wonderful job accomplishing;

Socializing more as a Lodge, with family nights and men's nights;

Developing new fundraising ideas; Etc....

With your help, we can accomplish these goals and many more. So, when a chairman of a committee calls for your help, please jump right in.

Thanks again for your past and future support for me, the new officers, and, most of all, for the spirit of Masonry.

Larry Davis, WM Hiram Lodge No. 7
